BT TA provides nationally accredited training in various professional courses, with both full and part time courses available, along with interest-free payment plans.

Course: Diploma of Beauty Therapy with Permanent Hair Removal and Microdermabrasion

Code: SHB50115 **Duration:** 12 months

This qualification reflects the role of individuals who are competent in a broad range of beauty therapy treatments and services which may include facial massage, body massage, hair removal, cosmetic tattooing, spa treatments, lash and brow treatments, nail technology services, make-up, aromatherapy, providing advice on beauty treatments and services, selling retail skin care and cosmetic products and coordinating a work team. Work would be undertaken as skilled beauty therapists in salons, spas and the wider beauty industry.

This qualification is designed to reflect the role of those who work relatively autonomously.

***There are no entry requirements to this qualification.**

25 units must be completed:

- 13 core units
- 12 elective units, consisting of:
- All units from Group A, B, or C:
 - Group A – Electrolysis/Diathermy
 - Group B – Relaxation Massage
 - Group C – Spa Treatments
- Remaining units from Group D - General Electives, elsewhere in SHB Training Package, or any other current training package or accredited course.

The selection of electives must be guided by the job outcome sought, local industry requirements and the complexity of skills appropriate to the AQF level of this qualification.

Core units:

- SHBBBOS002 Provide body massages
- SHBBBOS003 Provide body treatments
- SHBBFAS001 Provide lash and brow services
- SHBBFAS002 Provide facial treatments and skin care recommendations
- SHBBFAS003 Provide specialised facial treatments
- SHBBHRS001 Provide waxing services
- SHBBMUP002 Design and apply make-up
- SHBBNLS001 Provide manicure and pedicure services
- SHBBRES001 Research and apply beauty industry information
- SHBXCCS001 Conduct salon financial transactions
- SHBXCCS002 Provide salon services to clients
- SHBXIND001 Comply with organisational requirements within a personal services environment
- Electives to be agreed on remaining units from Group D - General Electives, elsewhere in SHB Training Package, or any other current training package or accredited course.

Additional non-accredited bonus subjects:

- Introduction to IPL intense pulsed light for skin rejuvenation and pigmented, vascular lesions, hair reduction, acne light based treatments, skin peels, acne treatments, post op scar treatments, skin tightening and resurfacing, LED and cavitation, lipo fat melting and body sculpting
- Chemical Peels
- Skin Needling
- Non-Surgical Face Lifting and Body Shaping (Cavitation, Ultrasound, RF and Fractional RF)
- Intense Pulsed Light (IPL)
- Super Hair Reduction
